RETINOL BINDING PROTEIN

Contact us

Your expert in specific proteins

(*) Shelf Life :

 DiAgam provides to distributors a minimum of 12 months. The time period written in this document shows the maximum shelf life time after manufacturing.

() Sample :**

DiAgam can provide some applications for other samples, such as LCR, Urin, Veterinary samples etc.... Please contact your distributor or us directly at mail@diagam.com or dial +32 68 55 14 82.

(*) Analytical range :**

For general information purposes only. More details can be found in the package insert (instructions for use). Please contact your distributor or us directly at mail@diagam.com or dial +32 68 55 14 82 in order to get the updated data.

Medical device for in vitro diagnosis.

DIAGAM SA, Rue du Parc Industriel 40, 7822 Ghislenghien, BELGIUM

The products fulfill the requirements of European directive 98/79 EC concerning the medical devices of in vitro diagnosis.
